

2nd University Challenge Eurasia (UCE)

Under the auspices of DAAD (German Academic Exchange Service)

A challenge for engineering student talents – apply now!

March 2019, during IFAT Eurasia

Come and participate in the second University Challenge Eurasia (UCE). Student teams from Turkish universities have the chance to prove their skills and compete with each other.

Task:

IWRM – Integrated Water Resources Management

Infrastructure measures from water management, waste management and energy management have to be combined using DWA environment cards.

Prize: Attractive prizes await the three best teams.

Register here:

Participation is free. Please register teams of three people per university.
