

## List of heading terms for the picture cards

Use this table for your joint decisions about terminology

Card number	Label on the picture cards, add the term in your language	Card number	Label on the picture cards, add the term in your language
00	Modular Wastewater Training System	15	Pumping station
01	Settlement	16	Stormwater overflow tank
02	Trade	17	Stormwater holding tank
03	Industry	18	Stormwater sedimentation tank
04	Rainwater harvesting	19	Screw pump
05	Separator system	20	Screen
06	Pre-treatment system	21	Grit chamber
07	Percolation tank	22	Primary settlement tank
08	Constructed wetland	23	Nitrification (surface aerator)
09	Small wastewater treatment plant	24	Anaerobic tank
10	Combinded system	25	Nitrification (pressure areation)
11	Separate system	26	Denitrification
12	Pressure drainage system	27	Upstream denitrification
13	Vacuum drainage system	28	Downstream denitrification
14	Inverted siphon	29	Intermittent denitrification

Card number	Label on the picture cards, add the term in your language	Card number	Label on the picture cards, add the term in your language
30	Alternating denitrification	45	Receiving water
31	Simultaneous denitrification	46	Thickener
32	Cascade denitrification	47	Sludge digester
33	Sequencing batch reactor (SBR)	48	Mechanical sludge dewatering
34	Trickling filter	49	Sludge drying bed
35	Upflow anaerobic sludge blanket digestion (UASB)	50	Agricultural utilization of sewage sludge
36	Secondary settlement tank, circular	51	Incineration
37	Secondary settlement tank, rectangular	52	Process water tank
38	Return activated sludge pump (RAS)	53	Gas tank
39	Recirculation pump (RCP)	54	Combined heat and power unit (CHP)
40	Precipitant tank	55	Gas flare
41	Filtration	56	Distributed control system (DCS)
42	Membrane process	57, 58, 59	Sampling point
43	Wastewater pond	60, 61, 62	Measuring device
44	Chlorine contact tank	63	Blower (compressor)
