## 30th May - 3rd June 2022, Munich

Be there from 30 May - 3 June 2022 when IFAT Munich sets standards for future developments and your innovations take centre stage. As conceptual partner of IFAT, the DWA will once again be present at the trade fair with an extensive specialist programme, its know-how and many activities.

In addition to the professional and university competitions, the DWA will be represented with two stands. In the Entrance Hall West national and international associations and delegations from universities, partners and institutions are looking forward to meeting you and in Hall B2 the DWA and many co-exhibitors at the DWA joint stand are looking forward to interesting discussions with new and old contacts.
